ISLAND SPAS BY ARTESIAN

- THE FEATURE OF "A SPA WITHIN A SPA" SERVES TO INCREASE BATHER CAPACITY AND PREVENT SPILLOVER. SEE REVERSE PAGE FOR DETAILS.
- VALVES ARE USED TO MOVE WATER BETWEEN SEATS, AND EACH JET IS INDIVIDUALLY CONTROLLED, ALLOWING FOR COMPLETE WATER AND MASSAGE CONTROL.
- COMFORTABLE, ERGONOMIC SEATS ARE AT VARIED DEPTHS TO ACCOMMODATE DIFFERENT SPA USERS.
- JETS ARE STRATEGICALLY PLACED IN EACH SEAT AT THE BODY'S PRESSURE POINTS TO MAXIMIZE AN EFFECTIVE MASSAGE.
- INTENSE ROTATING JETS DELIVER DEEP MUSCLE PENETRATION FOR AN EFFECTIVE MASSAGE.
- THE DASHBOARD LAYOUT OF SPA CONTROLS MAKES IT EASY FOR USERS TO CONTROL THE SPA WHILE BATHING.
- OUR HIGH QUALITY LUCITE XL CAST ACRYLIC SHELLS COME IN A MYRIAD OF COLORS AND TEXTURES.
- ALL ISLAND SPAS COME STANDARD WITH STATE-OF-THE-ART DIGITAL CONTROLS.
- ISLAND SPAS COME STANDARD WITH A CLEAR HEART REDWOOD CABINET OR CAN BE UPGRADED TO THE OPTIONAL LONG-LASTING AND GREAT LOOKING PERMAWOOD™.
- THE ENTIRE FRAME OF THE ISLAND SPA IS BUILT OF 100 PERCENT PRESSURE-TREATED LUMBER THAT WILL NOT ROT OR RUST.
- FULL FOAM INSULATION IS USED BETWEEN THE CABINET AND THE SHELL.
- ALL ISLAND SPAS ARE BUILT WITH AN ABS SPA BASE.
- THE BOTTOM DRAIN IN EVERY SPA ALLOWS THE SPA TO BE COMPLETELY DRAINED BY SIMPLY OPENING A VALVE -- WITHOUT REMOVING ANY PART OF THE CABINET.
- THE USE OF SWITCHLESS MOTORS INSURES THE LONGEST PUMP LIFE OF ANY SPA ON THE MARKET. SEE REVERSE PAGE FOR DETAILS.
- INNOVATIVE FULL-FLOW PLUMBING INCREASES WATER FLOW TO JETS AND REDUCES FLOW RESISTANCE.
- THE ISLAND'S LEAK-PROOF PLUMBING IS COMPRISED OF SPECIAL HIGH-QUALITY FLEX-PIPE AND HOSES.
- THE PLUMBING CONNECTIONS TO THE JETS ARE BOTH GLUED AND CLAMPED, WHICH DIMINISHES THE POTENTIAL FOR PLUMBING LEAKS.
- OUR CLOSED CELL, MOLDED PILLOWS ARE LONG-LASTING AS WELL AS ATTRACTIVE.
- VIRTUALLY FAILURE-PROOF FLOW SWITCHES ARE USED IN THE ISLAND SPAS, INSTEAD OF PRESSURE SWITCHES.

- LARGE, EFFICIENT FILTERS FILTER SUCTION-SIDE FOR BEST RESULTS.
- INTEGRATED, MOLDED FILTER LIDS LAST FOR THE LIFE OF THE SPA AND PROVIDE EASY ACCESS TO THE FILTERS.
- THE ISLAND SPA LINE SETS THE BENCHMARK FOR QUALITY STANDARDS IN THE SPA INDUSTRY WORLDWIDE.

A LARGE BATHER LOAD IS NEARLY IMPOSSIBLE IN MANY SPAS. THE WATER RISES, CAUSING THE WATER TO SPILL OVER AND ALSO CAUSES LACK OF FILTRATION WHEN THE WATER RISES ABOVE THE FILTER. THE ISLAND 2006 LINE FEATURES A NEW **"SPA WITHIN A SPA"** DESIGN THAT ALLOWS SIMULTANEOUS BATHER LOAD WHILE MAINTAINING CONTINUOUS FILTRATION WITHOUT WATER LOSS. TWO MAIN FEATURES WORK TOGETHER TO MAKE THIS

POSSIBLE: **1** A LIP OR CATCH BIN BELOW THE ACTUAL EDGE OF THE SPA FOR SPILLOVER; AND, **2** AN ADDED 4 INCHES OF HEIGHT TO THE TOP OF THE FILTER CAVITY TO MAINTAIN FILTRATION WHEN THE WATER LEVEL RISES.

THE NEW **SWITCHLESS MOTORS** DRIVE HIGH-WATER-VOLUME PUMPS THAT ARE LONG-LASTING AND VIRTUALLY TROUBLE-FREE. THE SWITCHLESS MOTOR DESIGN DOES NOT REQUIRE A MECHANICAL SWITCH TO TAKE IT FROM THE START POSITION TO RUN POSITION, WHICH GREATLY INCREASES THE EFFICIENCY OF THE MOTOR. AN ADDED BONUS TO ALL OF THE OTHER GREAT FEATURES OF THE SWITCHLESS MOTOR IS THIS DESIGN REQUIRES FROM 10 TO 16 FEWER PARTS THAN A CONVENTIONAL MOTOR, WHICH MEANS MANY COMPONENTS HAVE BEEN ELIMINATED THAT SOMETIMES CREATE PROBLEMS. THE LIFE OF OUR SWITCHLESS MOTOR CAN BE MEASURED IN TENS OF YEARS INSTEAD OF HUNDREDS OF HOURS.

FULL-FOAM INSULATION, COMBINED WITH OUR HIGH-DENSITY, SOLID STATE SPA COVERS, WORKS TO ENSURE THE HIGHEST RATE OF HEAT RETENTION AVAILABLE IN ANY SPA. BUT THAT'S NOT ALL! FULL-FOAM INSULATION OFFERS A HOST OF OTHER BENEFITS, SUCH AS A STRONGER SPA STRUCTURE AND LESS WEAR ON PLUMBING WELDS. EVERY ISLAND SPA COMES STANDARD WITH A FULL ABS BOTTOM, AS WELL AS A BOTTOM DRAIN.

GRAND BAHAMA

BIMINI

THE 11-FOOT-LONG BIMINI IS ESSENTIALLY TWO SPAS IN ONE. COMBINING THE MOST POPULAR SEATING FEATURES FROM THE GRAND BAHAMA AND THE GRAND CAYMAN, THIS SPA BOASTS TWO LUXURIOUS LOUNGERS LOCATED AT THE FILTER END OF THE SPA, EACH WITH UNIQUE MASSAGE CONFIGURATIONS. THE OTHER END OF THE SPA SHARES THREE FULL THERAPY SEATS, ARRANGED IN A SIMILAR MANNER TO THE SABA. ASIDE FROM THE INCREDIBLE 72 JETS AND FIVE FULL THERAPY SEATS, THE BIMINI HAS PLENTY OF ROOM FOR A LARGE GROUP TO ENJOY. IT HAS EIGHT TOTAL SEATING POSITIONS AS WELL AS THE POPULAR COOL-DOWN SEAT. THIS SPA IS BUILT FOR THOSE WHO TRULY WANT TO HAVE IT ALL.

WITH YOUR OWN ISLAND SPA IN YOUR BACK YARD, YOUR ESCAPE FROM REALITY IS WITHIN EASY REACH EVERY DAY. THE ISLAND **STEREO SYSTEM** IS THE PERFECT ADDITION TO COMPLETE YOUR LUXURIOUS RETREAT. NOW, WHILE YOUR MUSCLES ARE BEING SOOTHED TO A STATE OF ABANDON, THE SOUNDS FROM YOUR STEREO SYSTEM WILL LIFT YOUR HEART AND SOUL. YOU WILL APPRECIATE OUR MARINE-GRADE, STATE-OF-THE-ART SURROUND SYSTEM, COMPLETE WITH A POWERFUL SUBWOOFER. THIS WEATHER-RESISTANT SYSTEM CAN ALSO COME EQUIPPED WITH CABINET-MOUNTED PATIO SPEAKERS.

THE ARTESIAN **PROPURE MIXING CHAMBER** IS THE SOLUTION TO

SANITIZATION THROUGH NATURE. THE PROPURE MIXING CHAMBER CREATES MAXIMUM CONCENTRATIONS OF OZONE BY INCREASING THE CONTACT RATIO OF OZONE INJECTED INTO THE WATER. TINY BUBBLES ARE RELEASED INTO YOUR ISLAND SPA, ALLOWING THE AMOUNT OF CHEMICALS USED TO BE DRASTICALLY REDUCED.

YOU CAN ADD A STYLISH AND LUXURIOUS TOUCH TO YOUR ISLAND SPA WITH OUR OPTIONAL **STAINLESS STEEL ESCUTCHEONS**. WE COVER THE JET FACE WITH THE HIGHEST GRADE OF STAINLESS STEEL, WHICH ADDS AESTHETIC APPEAL TO AN ALREADY STUNNING SPA!

THE BENEFITS OF HAVING AN **OZONATOR** INSTALLED INTO YOUR ISLAND SPA ARE NUMEROUS, FROM COST SAVINGS ON CHEMICALS TO NATURALLY CLEARER WATER. OZONE DOES MANY THINGS TO THE WATER, BUT HERE ARE SOME EXAMPLES: OZONE OXIDIZES SOAP, DEODORANT, HAIR SPRAY, COLOGNE, MAKEUP, PERFUME, BODY LOTION, HAND CREAM, SUNTAN LOTION, SALIVA AND URINE. IN ADDITION, OZONE KILLS ALL PATHOGENIC BACTERIA, GERMS AND VIRUSES. OZONE FREES UP THE COMBINED CHLORINE, THUS LEAVING THE CHLORINE FREE TO PROVIDE AN ACTIVE RESIDUAL. THE BOTTOM LINE IS: OZONE ENHANCES THE PERFORMANCE OF CHLORINE AND BROMINE, WHICH MEANS THAT FAR LESS SANITIZER IS REQUIRED TO KEEP YOUR WATER CLEAR AND CLEAN.

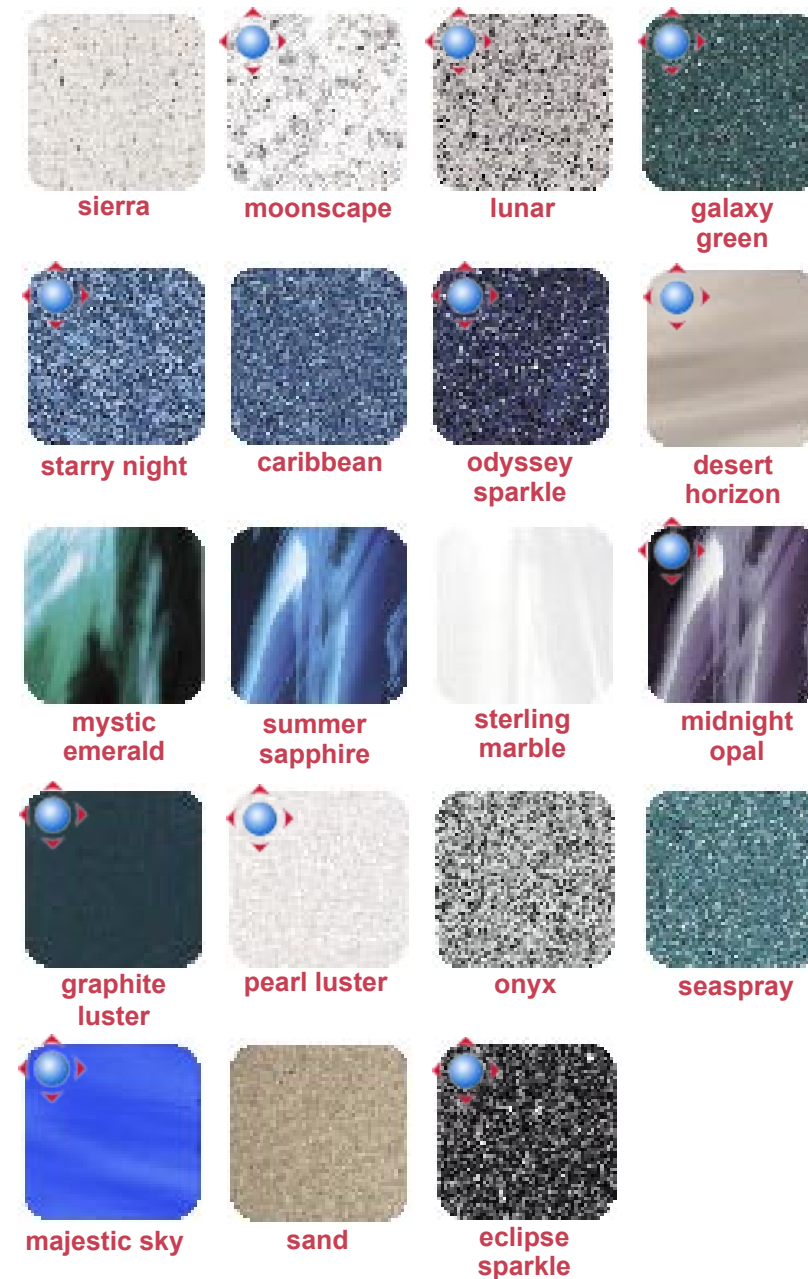

TAKE A TRIP TO THE TROPICS AND BASK IN THE TRANQUIL ISLAND **WATERFALL** THAT CASCADES FROM THE SPA HEADRESTS. SIMPLY ENJOY THE SERENE SOUND OF THE WATERFALL OR NESTLE UNDER THE FALL AND FEEL THE WARM WATER TRICKLE DOWN YOUR NECK AND BACK. THESE PILLOWFALLS CAN BE EQUIPPED WITH OPTIONAL L.E.D. LIGHTING, ADDING AN EXCITING, COLORFUL GLOW TO THE FALLING WATER.

THE .7 AMP, HIGH EFFICIENCY, 24-HOUR **WHISPERPURE CIRCULATION SYSTEM** SENDS THE SPA WATER THROUGH THE FILTERS MORE THAN A HUNDRED TIMES A DAY. BY HAVING THE OPTIONAL 24-HOUR CIRCULATION SYSTEM BUILT INTO YOUR ISLAND SPA, YOU WILL SEE GENUINE ELECTRICAL COST SAVINGS MONTH TO MONTH WITH CLEAN, FILTERED, REGULATED WATER.

THE OPTIONAL **DYNABRITE L.E.D. LIGHTING SYSTEM** LIGHTS UP ANY NIGHT SPENT RELAXING IN YOUR ISLAND SPA. THIS UNIQUE LIGHT SHOW UTILIZES MULTIPLE TWO-INCH LENS FIXTURES THAT HOUSE SYNCHRONIZED LIGHT GENERATORS. THIS TEN-FUNCTION SYSTEM LEAPS TO LIFE WITH A TOUCH OF THE BUTTON ON THE SPA CONTROL PAD. EACH TOUCH WASHES THE WATER WITH UP TO FIVE DIFFERENT COLORED LIGHTS AND ALLOWS THE USER THE ABILITY TO STOP ON ANY ONE OF THE PREFERRED COLORS.

BUT THE FAMILY OF SOLID COLORS IS NOT WHERE THE DYNABRITE LIGHT SHOW EARNS ITS NAME. SCROLL FURTHER WITH THE CONTROL BUTTON, AND YOU WILL DISCOVER A MULTI-COLORED ADVENTURE WITH EACH NEW TOUCH. THE FINAL FIVE FUNCTIONS ARE DIFFERENT COMBINATIONS OF COLORS SET SIDE-BY-SIDE IN AN ARTFUL TRANSITION. THE DYNABRITE L.E.D. LIGHTING SYSTEM IS YOUR BOARDING PASS TO A TRULY ADVENTUROUS SOAK. SINGLE L.E.D.S ARE ALSO AVAILABLE IN THE L.E.D. 24 AND L.E.D. 10. BY REPLACING THE STANDARD HALOGEN BULB WITH A SINGLE L.E.D. FIXTURE, SPA USERS CAN ECONOMICALLY ADD THE EXCITEMENT OF COLOR TO THEIR SPA EXPERIENCE.

ARTESIAN PROUDLY OFFERS **MICROBAN** LUCITE CAST ACRYLIC WITH ANTIMICROBIAL PROTECTION, IN ADDITION TO OUR GRANITE AND MARBLE SHELLS.

TESTED SAFE AND REGISTERED WITH THE EPA, MICROBAN PENETRATES AND DISRUPTS KEY CELL FUNCTIONS OF MICROORGANISMS. ALTHOUGH SPA OWNERS SHOULD STILL FOLLOW A REGULAR MAINTENANCE PROGRAM, MICROBAN INHIBITS THE GROWTH OF BACTERIA THAT CAUSES ODOR AND STAIN BETWEEN CLEANINGS. AND, MICROBAN WORKS WITH YOUR REGULAR TREATMENT REGIMEN.

CABINETS

GREY REDWOOD

RED REDWOOD

ALL ISLAND SPAS COME STANDARD WITH BEAUTIFUL 100 PERCENT PURE REDWOOD. REDWOOD IS A SOFT WOOD WITH DEEP COLOR AND IS KNOWN TO BE SUPERIOR IN OUTDOOR CONDITIONS.

GREY PERMAWOOD™ RED PERMAWOOD™

PERMAWOOD™ IS AN ULTRA-LONG-LASTING SYNTHETIC MATERIAL MADE OF A HIGHLY ADVANCED PLASTIC. UNLIKE MOST SYNTHETICS, PERMAWOOD™ IS STUNNINGLY BEAUTIFUL AND REALISTIC LOOKING, AND PROVIDES A DURABLE AND MAINTENANCE-FREE CABINET.
